Das Waschhaus wurde 1956 erbaut. Im Sommer 2007 wird die letzte noch genutzte Waschmaschine in einen kleineren Kellerraum umgesiedelt.

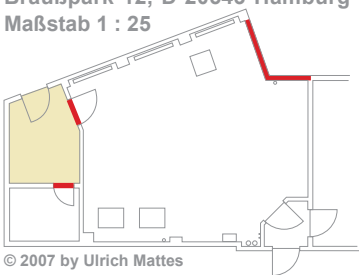

Das Waschhaus soll aber ein Ort der Kommunikation bleiben. Im April 2007 eröffnen die Künstler/innen der Vereins zur Förderung von Kunst im öffentlichen Raum (KiöR e.V.) das Waschhaus in seiner neuen Funktion als Kultur- und Kunststätte. Regelmäßig wird dann eine neue Ausstellung mit Aktionen eröffnet, bei denen die Anwohner/innen herzlich zur Teilnahme eingeladen sind. Das aktuelle Programm finden Sie im Internet unter [www.kioer.de](http://www.kioer.de) ...
